"Sparrow, who had lunch with you?"
"After breakfast at the zoo

In the Lion's cage I pecked
Better than you might expect,

At the Fox's titbits nipping,

With the Walrus water sipping,

found Jumbo's carrot swe

ne I ate so

Rhino's bran I also tasted,

king sure it wasn't wasted.

Then I had a morsel, too,
With Hop-Skip the Kangaroo.

with me.
give me!

Crocodile, I have a hunch,

Also wanted me for lunch."
